The screenshot displays the EBSCOhost search interface. At the top, there is a navigation bar with options like 'New Search', 'Subjects', 'Publications', 'Company Information', and 'More'. On the right, there are links for 'Sign In', 'Folder', 'Preferences', 'Languages', 'Help', and 'Exit'. The main search area features a search bar with the text 'technology', a dropdown menu for 'Select a Field (optional)', and a green 'Search' button. Below the search bar, there are two more search boxes with 'AND' operators and 'engineering' as the second term. A 'Clear' button and a 'Search History' link are also present.

On the left side, there is a 'Refine Results' panel. Under 'Current Search', it shows the Boolean/Phrase: 'technology AND engineering'. Under 'Limiters', 'Full Text' and 'Date Published: 20140101-20191231' are selected. Under 'Limit To', 'Full Text' is checked, and 'Peer Reviewed' and 'References Available' are unchecked. There is also a 'Publication Date' filter set from 2014 to 2019.

The search results are displayed in the center. The first result is titled '1. fostering giftedness and creativity: implementing **Engineering** by Design in Kuwait: Prior to this partnership, **technology** and **engineering** education was not a part of public primary or secondary education in Kuwait.' The Peer-Led Team Learning Leadership Program for First Year Minority Science, **Technology, Engineering, and Mathematics** Students' and is also from 'Academic Journal'.

On the right side, there is a 'Company Information' section with links to 'Beijing China Fire Evergr...', 'Sichuan Construction New ...', and 'Chongqing Zhixiang Paving...'. Below that is a 'Company Profiles' section and a 'Related Images' section with several small image thumbnails.

Orange arrows point to various elements: the search bar, the 'technology' and 'engineering' input fields, the 'Search' button, the 'Search Results: 1 - 10 of 206,083' text, the 'Full Text' limiter, the 'Full Text' checkbox, the 'Date Published' filter, and the 'Academic Journal' icon for the first result.
